*For All Those Who Are Kept And Guarded By Yahushua, The Anointed Messiah*

# The Letter Of Yahuwdah, The Delegate

## Greetings

1 - 2

Yahuwdah, slave and attendant of Yahushua Messiah, and the brother of Ya'qob, to the ones called and summoned, invited and chosen, those that have been dearly loved and welcomed, entertained and looked fondly upon, cherished with strong affection, highly esteemed and have been greatly adored by and with God the Father, and those that have been kept and guarded, held and maintained, watched over, preserved and protected by Yahushua Messiah: mercy, compassion, and kindness to all of you, and may peace and tranquillity, harmony and concord, freedom, felicity and the assurance of salvation, and brotherly love, affection and benevolence be increased, grown and filled to abundance.

## The Doom Of Godless Men

3 - 4

Beloved, dearly loved and highly regarded ones, having done and performed, accomplished and executed, brought about, undertaken and established every individual and collective bit of diligence and earnestness, eagerness and devotion, enthusiasm, exertion and willingness to write, record and compose this to all of you about and concerning, regarding and with respect to our common, mutual and shared deliverance and salvation, as I had and held, acquired and received, regarded and counted, bore and sustained, gripped and kept, owned and possessed the need and necessity, obligation and inevitability to write, record and compose to all of you, exhorting and encouraging, comforting and giving solace to all of you to earnestly contend and strive, make effort and exert intense zeal for the trust and reliance, obedience, assurance and dependence *in the Supreme One* that has been given and granted, bestowed and delivered, committed and presented once and for all to the set-apart and cleansed ones. For the reason that certain men and human beings have craftily and stealthily slipped and sneaked, penetrated, intruded and crept in unnoticed, those who have all along and for a long time been written and depicted, portrayed and proscribed, publically proclaimed and set forth in writing for and on behalf of this verdict and judgement, decision and evaluation, determination, assessment and sentence. They are abandoned and irreverent, destitute and disloyal, profane and ungodly, transferring, moving and changing the favour and joy, delight and thanks, glory and pleasure, mercy and loving kindness of our God into a debauchery and unbridled lust, licentiousness, voluptuousness and insolence, and denying and rejecting, abjuring and disregarding, renouncing and paying no attention to our Ruler and Possessor, and our Sovereign Master, Yahushua Messiah.

Moreover, I purposely plan and lovingly desire, deliberately choose and prefer to remind you and recall to your mind, even though you once, at one time, saw and perceived, observed and experienced, recognised, comprehended and appreciated all individual and collective things concerning this; The Anointed God, having delivered and rescued the people, tribe and nation from out of the land, region and territory of Egypt, saving them from danger, ruin and annihilation, afterwards and later on He destroyed and annihilated, obliterated and declared everyone worthy of death who did not trust and rely upon, obey and place assurance and dependence *in Him*. And even Heavenly messengers and envoy's, those who did not keep and guard, hold and maintain, watch over, preserve and protect their power, dominion and principal place of authority, but nevertheless and on the contrary, having left and abandoned, deserted and departed from their own dwelling place and habitation, He has kept and guarded, held and maintained, watched over, preserved and protected them in eternal and everlasting bonds and chains subject to the power of total darkness and blackness for and on behalf of the great and mighty, significant and terrible day and season of separation and pruning, sundering and judgement, decisions of eternal destiny and justice, as and similar to Sodom and 'Amorah', and the cities and towns that were around and surrounding them on all sides, who in like, equal and same fashion, life and custom to these *two cities* had completely given themselves up to fornication and sexual immorality, illicit sexual relations, debauchery and idolatry, and had gone and departed after different and strange, alien and alternate flesh and use of the body, practising homosexuality; they are laid before and on public display, set forth and ordained before all eyes as an example and sample, sign and display, indicator and illustration, showing the suffering and undergoing the vengeance and justice, designation and condemnation, decision and manner of eternal, never ending and perpetual fire and divine judgement. And indeed and similarly, in the exact same way, these dreamers who have mental pictures beguiled with sensual images, envisage and are carried away by filthy fantasies, they defile and corrupt, contaminate, infect and pollute the flesh of the human body, making it unacceptable. Moreover, they set aside and disregard, annul and invalidate, brake and deny abrogate and get rid of, condemn, reject and refuse to accept the validity of the Supreme One's dominion, authority and rule, and they blaspheme and maliciously slander, injuriously reproach and vilify, revile and defame His glories and splendours, magnificence and dignities, favours and majesties. But nevertheless, when and as long as Miyka'el, the chief and principle Heavenly messenger and envoy was opposing and contending, striving, evaluating and arguing against the Devil, the one who constantly falsely accuses and slanders, he argued and disputed, discoursed and negotiated about and concerning, regarding and with respect to the mortal body of Moshe, he did not dare or bring himself to lay upon or inflict, bring or impute, pronounce or assign a blasphemous or malicious, slanderous or injurious vilification, reviling or defaming separation and pruning, sundering and judgement, decision and sentences, but nevertheless and on the contrary, he said, **"May Yahuweh rebuke and admonish, reprove and censure, warn, evaluate and denounce you!"** \* But nevertheless, these certain men indeed and surely blaspheme and maliciously slander, injuriously reproach and vilify, revile and defame as much as they do not see and perceive, observe and witness, know and experience, recognise and respect, and they are corrupted and destroyed, ruined and led astray in and with as much as these things, as and similar to absurd and irrational, unreasonable and unaccountable, unintelligent and brutish animals who *only* understand and are versed, skilful and are acquainted with nature and instincts. Woe to and how dreadful shall it be for them! For concerning this, they have travelled, proceeded and conducted their lives and behaviour in the way and course of life of Qayin, and plunged into and dedicated themselves to, ran and rushed to follow to the erroneous and deluded, deceitful and fraudulent, sinful and perverse, vacillating, luring and seductive ways and conduct of the wage, recompense and punishment of Balaq, and they have destroyed and annihilated, obliterated and declared everyone worthy of death in the contradiction and opposition, dispute and hostility, defiance and rebellion of Qorach. These are and exist as the stumbling rocks and spots, blemishes and hazards within your love-feasts, your celebrations of the feasts of the Supreme One, fearlessly and irreverently joining in together with you praying and beseeching, tending to and guiding, caring for and providing for, ruling and governing themselves. They are waterless clouds, being lead astray and blown about, moved, swept away and overcome by the control of strong tempestuous winds and empty teachings; they are fruitless and useless, unproductive, unprofitable and ineffective autumn trees, twice dead and lifeless, uprooted and destroyed; they are wild and violent, vehement and turbulent, tempestuous and cruel, boorish and rude, coarse, furious and fierce waves of the sea, restless men that act on impulse and by their raging passions, foaming up their confusion and humiliation, indecency and dishonour, reproach and ignominy; they are wandering and deceptive stars, to whom darkness and blackness of blindness and ignorance has been kept and guarded, held and maintained, watched over, preserved and protected in its current state on behalf of eternity and the perpetuity of time. Moreover, Khanowk, the seventh from Adam, also prophesied and declaring before the time had passed and in the presence of men and woman, making the thoughts of the Supreme One known to mankind about these men and woman, saying and teaching, directing, exhorting and pointing out, "Behold! Yahuweh has come,

arisen and appeared in view of the public with ten-thousand set-apart and cleansed Heavenly Messengers and envoys to do and perform, accomplish and execute, bring about, undertake and establish separation and pruning, sundering and judgement, decisions of eternal destiny and justice against all individual and collective things, and to refute and rebuke, expose and correct, reprehend and convict, bring to light, show and convince the wrongdoings of all individual and collective souls about and concerning, regarding and with respect to all the individual and collective hard and harsh, strong and stern, violent and rough, unyielding, offensive and intolerable words which were spoken and babbled against, contrary to and resistant against Him by abandoned and irreverent, destitute and disloyal, profane and ungodly sinners, those who have erred, missed the mark, violated the Torah of the Supreme One and wandered from the state of uprightness." These people are and exist as grumblers and discontented mutterers, those who constantly murmur against the Supreme One, blaming Him and are dissatisfied with their lot; they travel and journey, proceed and conduct their behaviour in accordance with and with respect to their desires and cravings, lusts and passions, and their mouths speak and babble bombastic and pompous, verbose and swollen, haughty and boastful things, wondering and marvelling at, being astonished at faces and personal appearances, insincerely praising people's countenance for the sake of, on account of and for the purpose of obtaining benefit and advantage, gain and assistance, aid and value.

A Call To Persevere

17 - 25

But nevertheless, beloved, dearly loved and highly regarded ones, you are to remember and take notice of, care for and be concerned about the words and statements proclamations and subject matters that have been spoken beforehand and in advance, announced and mentioned previously by the delegates and emissaries, teachers and those persons of our Sovereign Master, Yahushua the Anointed Messiah, for concerning this, they said and taught, directed, exhorted and pointed out to all of you concerning this, "Near the last and final day and season, there shall be and exist mockers, scorners and deceivers who will travel and journey, proceed and conduct their behaviour in accordance with and with respect to their abandoned and irreverent, destitute and disloyal, profane and ungodly desires and cravings, lusts and passions." These are and exist as the ones who disjoin and cause divisions, setup boundaries, instigate factions and split communities; they are earthly and unspiritual, demonic and are governed by the sensuous nature with its subjection to appetites, not having or holding, acquiring or receiving, regarding or counting, bearing or sustaining, gripping or keeping, owning or possessing the Spirit. But nevertheless, beloved, dearly loved and highly regarded ones, you are to rebuild, restore and strengthen yourselves again in and with your great trust and reliance, obedience, assurance and dependence *in the Supreme One*, praying, pleading and communicating with the Supreme One in and with the Set-Apart and Cleansed Spirit. May you keep and guard, hold and maintain, watch over, preserve and protect yourselves in and with the brotherly love, affection and benevolence of God, awaiting, looking forward to and expecting to receive, take up and welcome the mercy, compassion, and kindness of our Sovereign Master, Yahushua the Anointed Messiah, that is for and on behalf of eternal, everlasting and perpetual life and continued existence. Indeed and surely, forcefully snatch and seize, rapaciously capture and catch those who are doubting and wavering, disputing and taking issue from out of the blazing fire, but nevertheless, show mercy, compassion and kindness in and with reverence and awe, even hating, despising and detesting the tunic and undergarment that has been stained and marked by the mortal flesh and body. And to Him Who is powerful and mighty, able and capable, authorised and excellent enough to establish and stabilise, support and render all of you constant and firm without spot or blemish, to free you from defect and corruption, purifying and pronouncing you as faultless, guiltless and honourable in and with exultation, extreme joy and exuberant rejoicing before and in the presence of His glory and splendour, magnificence and dignity, favour and majesty. To our only God, to Him be glory and splendour, magnificence and dignity, favour and majesty, force and power, dominion and sovereignty, respect and esteem, reverence and value through the means of and on the grounds of, on the basis of and because of our Sovereign Master, Yahushua the Anointed Messiah, to Him be glory and splendour, magnificence and dignity, favour and majesty, prominence and importance, also now, at this present time, and for and on behalf eternity and the perpetuity of time. Yes, truly this is a reliable statement of truth!
